Dear Supporter,

There are many advantages for local businesses to sponsor Pacifica National Little League. You are helping to give back to your community, and give our kids a better chance to succeed. Your sponsorship donation of \$300.00 helps us buy new equipment and uniforms for the players. It also helps us perform field maintenance and upgrades, and assists us in funding underprivileged players whose families can't afford for them to play. Your generosity helps to make our kids and league stronger than ever before.

If you wish to sponsor a team, please write a tax-deductible check to Pacifica National Little League. We can pick up your gift, or you can mail it to the address above.

Best Regards,

Bill Hooper
