

2009 PNLL Snack Shack Schedule

Thank you teams in advance for your help in making the snack shack a success for the league this year. PNLL counts on the money we make in the snack shack to help subsidize many things for the league and in turn our kids.

Each family is expected to give at least two hours in service to the league during the season. Working in the snack shack is a great way to meet that requirement as well as get to know other parents and kids.

To make your experience run as smoothly as possible we have set up the following guidelines for working in the Snack Shack:

1. For insurance purposes there are no children under the age of 13 allowed inside the snack shack. This guideline was posted last year, however it was not truly enforced. This year we must enforce this rule for the safety and security of your children. We understand this could cause issues for those of you with small children; however you will need to make other arrangements for another parent or friend to watch your child while you serve in the snack shack.
2. You may not pay or have a minor child work your shift for you. Each team has a designated time slot and there MUST be an adult (18+) present at ALL times. This is for safety, security and insurance purposes.
3. If you sign up to work, please do not pull a "no show". If something comes up please contact your team parent to arrange to have someone else cover your shift. It is the TEAM'S responsibility to make sure these shifts are covered.
4. Shifts are during games. You will miss part or all of one of your child's games. However, the way that the scheduling works, unless you volunteer for more than one shift, it's one game out of an entire season. We have found this is the easiest way to make sure people show up for their shifts as they are already at the park. Most people are unwilling to come down when their child is not already required to be here.
5. Please don't give your children, their friends, or friends of friends "freebies" while working in the snack shack.

Also of note, Wednesdays will always be staffed by Minors families as Minors is the only division playing on that day of the week. If you have any questions or concerns about any of the above, please do not hesitate to contact me . Please note that all the teams are just about equal in staffing the Snack Shack.

Sincerely,
